

HOW TO MEASURE FOR YOUR UNIFORM

Please provide your actual body measurements without any extra (indicate cm or inches)

<p>1. Neck</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>Measure around the base of your neck or the widest part of your neck, we will add 2" / 5cm (or 2 ½" / 6.5cm with a detachable collar).</p>	<p>2. Sleeve</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>With your arms by your side, measure from the base of the collar at the side of your neck, along your shoulder and down your arm to the wrist for a cuff with frogs (or elastic) we add about 3" / 8cm <u>OR</u> to the desired length for folded cuffs, hemmed, piping, short and ¾ etc.</p>	<p>3. Wrist</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>Measure around your wrist bone or thickest part. We will add 1" / 2.5cm for a standard cuff with 2 frog buttons or elastic. Folded cuffs, hemmed or piping are generally 16" / 40cm around depending on your size.</p>	<p>4. Length</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto; display: flex; flex-direction: column; justify-content: space-around;"> a. b. </div> <p>With you arms by your side, measure from the shoulder seam at the base of your collar (a) down your front and (b) down your back to the desired length.</p>	<p>5. Chest</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>Measure around your chest/bust. We will add approx. 8" / 20cm to the measurement you provide. We may taper the jacket out over your stomach and/or hips using measurements 6 and/or 7.</p>
<p>6. Waist</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>Measure around your waist. Elastic will be set to this measurement also with a drawstring.</p>	<p>7. Hips</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>Measure around the widest part of your hips/bottom. We will add approx. 8 – 10" / 20-25cm to this measurement.</p>	<p>8. Crotch</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>Measure from top of the waistband at the front, through your legs to the top of the waistband at the back. We will add 2" / 5cm and there is a diamond shaped gusset sewn into the crotch adding additional width and length.</p>	<p>9. Length</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>Measure from your waist to the floor, we will add about 3 – 4" / 8cm – 10cm for the fold over your shoes depending on your height. For hemmed pants or Bruce Lee pants provide the desired length.</p>	<p>10. Ankle</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>Measure around your ankle bone we will add 1 ½" / 4cm.</p>
<p>Overall Height:</p>		<p>Overall Weight:</p>		<p>11. Back of Shoulders</p> <div style="border: 1px solid black; width: 80px; height: 60px; margin: 10px auto;"></div> <p>For sleeveless tops or set in sleeves measure across back of shoulders, shoulder seam to shoulder seam.</p>
